COCKTAILS FOR COMPASS

DESCRIPTION & HISTORY

Compass aims to diminish stereotypes by challenging long-standing misconceptions about the character of the lesbian, gay, bisexual and transgender community. We accomplish this by emboldening our youth, promoting pride in our community, and acting as an educator, advocate, health service provider, and focal point for community organizing. As good neighbors, effective partners, and respected participants in our civic responsibilities, Compass promotes awareness of the caring nature of our diverse community.

Since 2002, Cocktails for Compass is our largest fundraiser which recognizes Compass' top donors and supporters while highlighting the successes of the year's achievements and programs. 100% of the proceeds continue to benefit the valuable, life-saving services Compass provides, impacting nearly 100,000 people throughout Palm Beach County.

COCKTAILS FOR COMPASS AND BEYOND

Cocktails for Compass would not be possible without the dedication and generosity of our dinner chairs, host committee, sponsors and supporters like you. Proceeds raised from this annual event will support the many services that we provide to the entire community.

Each year, Compass' staff and volunteers empower hundreds of youth and young adults, conduct more than 1,300 HIV tests, and connect a diverse population living with HIV to valuable, life-saving services. With your continued support, Compass continues to be recognized as a national leader through its direct service programs, community outreach, and education.

MEDIA HIGHLIGHTS

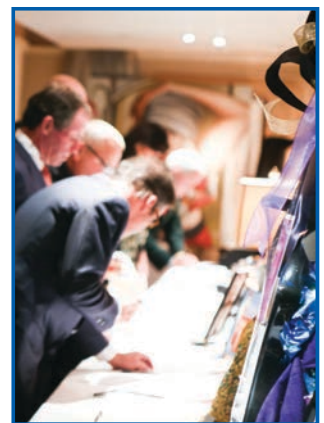

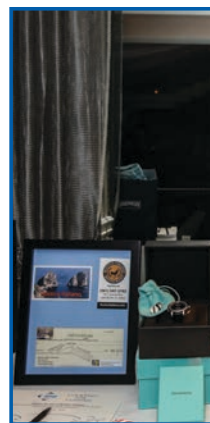

Since 2002, Cocktails for Compass has been regularly featured in the Palm Beach Daily News Society Pages cover, The Palm Beach Post Notables section, The Independent Newspaper and other media. Last December, Compass was featured in the Palm Beach Daily News Palm Beach Gives series.
