

# Fifteenth Annual Cocktails for Compass A Winter Dinner Sponsorship Opportunities

## Our Mission

Compass aims to diminish stereotypes by challenging long-standing misconceptions about the character of the lesbian, gay, bisexual and transgender community. We accomplish this by emboldening our youth, promoting pride in our community, and acting as an educator, advocate, health service provider, and focal point for community organizing. As good neighbors, effective partners, and respected participants in our civic responsibilities, Compass promotes awareness of the caring nature of our diverse community.
